The Society of Professional Assessors – Since 1964

The **Society of Professional Assessors** was established in 1964 for the express purpose of sponsoring educational programs relating to the problems and techniques involved in the administration of assessment practices. Our In-Service training programs are designed to provide professional development opportunities that will improve the knowledge and competence of assessing officials and property appraisers, by advancing assessment administration theory, ethical conduct and standards of professional practice.

Our Mission: The mission of the SPA is to distinguish its' members as recognized professionals and to provide affordable timely educational programs on relevant topics. We are a non-profit educational organization dedicated to the advancement of ethical conduct, appraisal theory and professional standards for and within the assessment profession.

Who Should Join? Anyone interested in property tax administration and the assessing profession in general should join. Your membership in the SPA can distinguish you as an experienced professional in the field of assessment administration, and connect you to one of the nations oldest and most respected networks of industry leaders. You will enhance your professional skills, knowledge, and ability to stay on the leading edge as this increasingly complex profession continues to evolve.

- Earn the SPA Designation.
- Earn continuing education credits at the lowest possible cost.
- All courses are timely, on topics of special interest.
- Be part of a network of recognized property tax professionals
